Hi Bernward,

Attached please find the presentations and Mel's talking points (they will actually come in two e-mails because the file size is too large). There are two versions of Mel's presentation, the original was presented in NY. In CT, two slides were deleted and that file has a '2' after the file name. I will also be scanning the sign-in sheets and speaker cards, which I will send along to you as well. Please let me know if you need anything else. Thanks and have a great long weekend!

- Alicia

Hi Jeannie,

I hope you had a good ride home.

When you have a moment, please email me the pdfs of 4 presentations, so that I can email them to the transcriptionists today. This will assure that they get the terminology right, and also that they can get the transcript to me in 2 weeks.

Thanks!

Bernward
